6 p.m.

📍 Hamburg

### Kick-off

Nov. 25<sup>th</sup> – 27<sup>th</sup>, 2021

📍 Hamburg

### Module I: Leadership Development

During the first module, we examine leadership against the backdrop of responsibility for oneself, the employees, the organization and society. From different perspectives, you receive impulses to reflect on your own leadership behavior.

Febr. 23<sup>rd</sup> – 26<sup>th</sup>, 2022

📍 Hamburg

### Module II: Personality

The module II is essentially about a deeper understanding of one's own personality. To integrate "the known" more effectively, to reassess past experiences, to discover unknown facets, and to gain motivating prospects for development.

### Mentor- + Mentee-Meeting

Half day Workshop together with Mentors incl. Dinner

June 1<sup>st</sup> – 4<sup>th</sup>, 2022

📍 Stockholm

### Module III: Strategic Leadership

In this module, we focus on the informal structures of top levels of management within a company. Besides a supportive media training, we will examine the rules of the game at the top executive level. Furthermore, the importance, impact and management of networks is illustrated.

Oct. 26 – 29<sup>th</sup>, 2022

📍 Hamburg

### Module IV: Visionary Leadership

The final module deals with the major trends that shape strategic business management in the 21st century. The objective is to open and sharpen the focus on perspectives for future developments in companies and their environment. To facilitate and complement Your own experiences we will have a number of external guests representing Private equity, Stock listed and Family owned companies.
